Reading Suggestions –

What book would you suggest to your peers?

SARA - I will choose the last book I have read, "***Il Barone Rampante***" by Italo Calvino . I really enjoyed this one, it talks about a guy that spends all his life on the trees because he had an argument with his father. I think that it's my favourite book! So, if you like adventures, read this one!

Another book I suggest you to read is "***The Secret Garden***" by Frances Hodgson Burnett, it's a romance for teenagers and it talks about a young girl who discovers a secret garden, but... Find out what happens reading it!

SOFIA - My favourite book is "***A Bag of Marbles***" by Joseph Joffo and I love the movie adaptation, because the film looked so similar to the book and it was as impressing as the book. The reason why I would like to suggest this book is that it talks about the author's memories and his feelings as a 10-year-old boy, when he lived under the German occupation in France.
